District 23 Alt DCM Report
February 2026
Submitted by William Burgun

January has been a relatively quiet month regarding my AA service activity. I attended the Greensburg Group's 78th anniversary, traveled to some out of town meetings, but otherwise have been relatively idle regarding active service activities.

At the conclusion of the Alcathon and New Year's Eve events, the Alcathon Committee realized a cash balance of \$734.00. This money was the result of individual and group donations made prior to and at the events, along with the 50/50 raffle held during the Years Eve event. The committee was able to return all seed money provided by the district.

The Alcathon and New Years Eve events were well attended (despite significant snow on Mew Years Eve) and provided a safe place for everyone to fellowship, share sobriety, and have fun. I look forward to continuing to support these events going forward.

Yours in Service,
Bill Burgun

Public Information (P.I.) in Alcoholics Anonymous means carrying the message of recovery to the still-suffering alcoholic by informing the general public about the A.A. program. We carry the message by getting in touch with and responding to the media, schools, industry, and other organizations which can report the nation and purpose of A.A. and what it can do for alcoholics.
