District 23 Alt DCM Report August 2026

Submitted by William Burgun

I'd like to take this opportunity to express my gratitude for being given the opportunity to serve the AA fellowship. Service work has allowed me to build my community, reenforce my commitment to recovery and expand my social connections within the AA community. I believe service work is a critical piece of the recovery journey, regardless if you are newcomer or old-timer. I am focusing on this facet because there is an opportunity for service which is near and dear to my heart; the district Holiday Committee is beginning to regularly meet and is looking for individuals to step up. The next committee meeting will be Sunday, August 23 at 11:45 at Sage's Army. Anyone is welcome to be part of this effort.

For more info please feel free to reach out to me.

As always, thank you all for helping me stay sober a day at a time.

**Yours in Service,
Bill Burgun**
